Trustees Looking at Sign Code

"LITTLE CHILDREN OF GOD" awards were presented to 32 Cub Scouts at the 9:30 a.m. Mass at St. Peter's Sunday. The awards, which can be

earned by Christian boys of any faith, are sponsored by the Knights of Columbus. (Another picture and story on page 2.)

Chain of Lakes Commission 'Calls for 'Emergency Work'

The Illinois Legislature soon will receive a detailed report on emergency work needed to help solve the flooding and pollution problems of lakes and rivers in this area.

The report was promised by the Chain of Lakes - Fox River Commission in a letter sent to Cecil Pardee, president of the state senate, William Redmond, speaker of the Illinois House, and members of the General Assembly.

The letter, signed by Commission Chairman William E. Brook of Antioch, is a status report on the work of his group, which is composed of legislators and laymen.

The commission met Jan. 24 in McHenry and plans its next

meeting on Friday, Feb. 21, at 1:30 p.m. in the Fox Lake village hall.

Illinois lawmakers created the commission for the purpose of studying and evaluating "existing and potential uses of the Chain O' Lakes-Fox River area (and) the social, health and environmental problems created by such existing and potential uses of the area."

THE LETTER to Springfield mentioned that the commission has retained the services "of a competent engineering firm to carry out the necessary studies. A contract for this work was executed between the commission and the firm of Alstot, March and Buillon. The

contract calls for complete environmental, ecological and hydrological studies of the area with the final report due June 30, 1976."

"The commission feels very strongly," Brook told the members of the General Assembly, "that some emergency work is necessary this year. The commission will therefore submit to the General Assembly a proposal for emergency work needed on the Chain of Lakes and the Fox River."

During the 1974 session of the General Assembly, the letter points out, a line item addition in the amount of \$75,000 was

Restaurants Object to 'Bad Publicity'

Antioch's proposed sign ordinance is now in the hands of the village trustees.

Mayor Robert C. Wilton Monday night turned it over to a sign committee composed of trustees Mike Haley, Ron Cunningham and Irv Walsh.

They have 30 days to come up with a recommendation.

The 40-page document, which the village planning commission calls "a comprehensive amendment... relative to the construction and maintenance of signs in the village," was discussed by the Zoning Board of Appeals on Jan. 23. That group recommended it be accepted by the village board.

Professional and village planners say that Antioch lacks a sign ordinance and needs one. Some village officials, however, have expressed concern that businessmen -- whose present signs may be affected by the new code -- have displayed limited interest in the ordinance.

A GROUP of local restaurant owners was in the audience at Monday's village board meeting to protest recent newspaper reports that the Lake County Health Department had inspected Antioch restaurants and found that some could have their licenses repealed if health hazards are not corrected.

William Georgeson, owner of the World Famous Village Pub, told the board that he thought such publicity made all restaurants in town look bad.

Georgeson said he hoped that, in the future, such reports wouldn't be made at public meetings unless specific violators were singled out.

"I think that's a worthwhile complaint," Mayor Wilton told Georgeson.

Trustee Margaret Nelson said

Charged With Shoplifting Beer

A 22-year-old Antioch man Sunday was charged with shoplifting at the A&P Store in the Plaza.

Workers at the store said they saw the man put a case of Schlitz beer, a case of Stroh's beer, and a pouch of tobacco in a shopping cart and push it out of the store without paying.

They held the man and called police. The alleged shoplifter has a court date in Fox Lake Feb. 28.

2 Bikes Stolen

Two 10-speed bicycles were reported stolen from a garage at 167 Lakewood Dr. last weekend.

A neighbor called police to say that the bikes were taken from the Joseph Bauer residence.

CUB SCOUTS knelt in St. Peter's church Sunday, attending Mass and awaiting the presentation of their "Parvali Dei" medals, also known as "The Little Children of God" awards. Purpose of the program is to help the boys become more aware of God's presence in their daily life.

Cub Scouts Receive Parvali Dei Award

Rev. Robert L. Melcher presented 32 Cub Scouts with their "Parvali Dei" award and medal at a very impressive ceremony during the 9:30 Mass at St. Peter's Church on Sunday, Feb. 2. The Knights of Columbus acted as honor guards. Boy Scouts presenting the colors were Kevin Walsh, Dave Aschbacher and John Aschbacher.

Cub Scouts from Grass Lake School's PTA Pack No. 80 receiving the award were:

Dennis Bergl, Peter Bicania, Danny Gilday, Rusty Gilday, Eddie LaPlante, David Milowski, Tom Milowski, David Walsh and Michael Whitehead.

Cubs from the State Bank of Antioch Pack 192 were:

Edward Ankowiak, Alex Apostal, Christopher Apostal, Joseph Apostal, Gregory Aschbacher, Phillip Aschbacher, Andrew Biel, Timothy Breston, Richard Carl, Christopher Gagnon and Paul Hettich.

Also, Tibor Jung, Philip Kenyon, John Klaczak, David Moffat, Ronald Peo, Jeff Rutschel, John Ruggles, Vince Schaff, Christopher Twardy, Glen Westlund, Chris Williams and David Witek.

Following the Mass, the boys, their parents and friends enjoyed a reception in the church hall.

Charged With Speeding, Beer in Car

A 21-year-old Chicago man was arrested by Antioch police shortly after midnight Saturday and charged with speeding and transporting open liquor in a motor vehicle.

Police clocked the driver at 50 miles an hour in a 30 mph zone as he was headed south on Main St. from North Ave.

They said they observed an open can of beer on the floor of the car, between the driver's legs, and then found two other open cans of alcoholic beverage under the car's front seat.

The Chicago man will appear in Branch Court in Fox Lake on Mar. 12.

Trustees Consider Sign Code

Continued from page 1

the Lake County Health Department has been making inspections of local restaurants and that some have had repeated violations and could have their licenses suspended.

She said she will be meeting with Lake County officials at the village hall Friday at 4 p.m. and invited persons wishing specific information to attend.

ANOTHER MEETING of the village zoning board has been scheduled for Tuesday, Feb. 18, on the petition of Mr. and Mrs. Harold C. Young to have their property at 701 Main St. rezoned from single family to multiple family dwellings.

The zoning board postponed consideration at its last meeting until new members were able to study plans and architect's sketches.

Because Monday, Feb. 17, will be celebrated as Washington's Birthday, that week's village board meeting will be held on Wednesday, Feb. 19, at 8 p.m.

THE STATE Department of Local Government Affairs is surveying the potential short range need for local construction projects.

"We are primarily concerned about projects which local governments are ready to build but are not able to finance," said a letter from the department to the village board.

In response, Trustee Haley listed nine projects for which Antioch has plans but could use state funds. They include:

-The cleaning of Sequoit Creek from Rt. 173 to Hillside Ave.

-A 500,000 gallon elevated water tank.

-Enlargement and replacement of deteriorated sanitary sewer in Anita and Greenbriar Avenues.

-Replacement of deteriorated sanitary sewer and installation of storm sewers in Cedarwood and Bridgewood drives.

-Work on street construction and lighting on Depot St. from Rt. 83 to Hillside Ave.

-Paving and drainage of Anita St., McMillan Dr., Ida Ave. and Bartlett St.

-Water main construction in Depot St., Turner Dr. and Orchard St.

-Enlargement of the Depot St. sewage pumping station.

-Replacement of existing air-type sewage pumping stations with centrifugal pumps.

The information supplied by the village will help the state

determine which construction programs will be aided by state funds.

IN OTHER ACTION, the village board designated the week of Mar. 2-8 as "Lions

Recognition Week." A proclamation to that effect appears elsewhere in today's Antioch News. Attorney Ted C. Larson is chairman of the local observance.

April was set aside as Cancer

Society Month in Antioch and funds to fight cancer will be collected on a Sunday in that month.

The village planning commission meets this Thursday, 7:30 p.m., at the village hall.

Agreements Mean Nothing to Soviets

By SEN. BARRY GOLDWATER

BARRY GOLDWATER

Where are all the softheaded liberals who have spent the last two years hailing and applauding what they honestly thought was a detente with the Soviet Union?

One suspects they might be picking their way through the shambles left in the wake of Russia's sudden repudiation of the "historic" 1972 trade agreement with the United States.

There is no doubt that they are wondering what happened. They felt - and with very good reason - that the Soviet Union had gotten the best of us on that one. Even though the trade bill was conditioned on a liberalized Soviet policy toward Jews desiring to emigrate, other provisions were believed to be of such greater importance to the Soviets.

ONE PROVISION accorded the Russians a "most-favored nation" status which would

provide them with the kind of credits they need to trade in our markets. Of even more importance, the status would have made the Soviet Union eligible to receive Western technology and management techniques which it is known to need and want.

Needless to say, the trade agreement was a vital component of the overall structure which diplomats on both sides of the Atlantic hoped would develop into a detente of meaningful proportions.

REGARDLESS OF appearances on the international horizon, it is inaccurate to conclude that detente with the Soviet Union is forever dead. Other elements of the rapprochement remain, including efforts to limit the size of strategic arsenals and to reduce tensions in Central Europe.

Although I say the elements of reprochement still exist, the reader should understand that they only provide a reason for holding further meetings with the Soviets, and it never hurts for enemies to talk.

The recent (Jan. 14) announcement by Defense Secretary James L. Schlesinger that the Soviets have begun deployment of a new generation of large missiles with MIRV warheads should serve as a strong reminder that the agreement reached at Vladivostok by President Ford and Soviet Premier Brezhnev did NOT put an end to the arms race.

YOU SEE, these missiles, with their multiple nuclear warheads - for the first time - are capable of hitting targets in the United States. That should tell us something loud and clear.

THE ANTIOCH NEWS is delighted with its new offices at 950 Main St. Those who have dropped in have agreed that the premises (once the local post office) are remarkably suited to the operation of Antioch's weekly newspaper.

This is a true story:

Last winter after Joe and Barbara Rush agreed to sell The Antioch News to me, I used to drive down every weekend from my former job in Green Bay, Wis., and check out the town.

And everytime I drove past the charming spot occupied by S&S Tailors, I said:

"That's exactly the place I want for the Antioch News."

How coincidental that, a year later, this IS the Antioch News. And our good friend, Carol Drygas of S&S Tailors - now Carol's Cleaners and Tailors - is equally delighted with her new location next door in the former Gambles store.

We do have to put up a permanent "Antioch News" sign soon. It still says S&S Tailors out there and I can't tell you how much dry cleaning we

WITH A STERN EYE

Goodbye to 'Government By The People?'

By GRACE MARY STERN
Lake County Clerk

Last year it was called SB 1551 and it never got out of committee. This year, under the alias SB 18, this very political legislation has risen like scum on cocoa, to the top of the legislative docket.

Remember the number, friends - SB 18 - because it is designed to take you right out of the system. If it passes, and my more cynical colleagues in government assure me that it will, the concept of government by the people will change to government by the party.

SB 18, sponsored by Sen. John Nimrod, one of our great Neanderthals, will require that any citizen wishing to vote at a primary election must have filed his party affiliation in the

office of the County Clerk at least 60 days prior to the filing of nominating petitions.

ASSUME WE are dealing with such dates as the primary election of 1974, which was Mar. 19. Filing date for the candidates' petitions was the week of Dec. 10, 1973. Had SB 18 been in force, any citizen wishing to participate in the primary (either as a candidate, a petition signer, or a simple voter) would have needed to file a statement of party affiliation with the County Clerk prior to Oct. 10, 1973 - six months before the primary - 60 days before he knows who the candidates will be - and 13 months before the general election.

Right or wrong, dead or alive, you gotta be affiliated! And if you happen to forget - and who

GRACE MARY STERN

after all is thinking much about elections in October of a non-election year - you will be legally barred from participating in the primary come March.

LAST FALL I received a synopsis of the bill and an invitation to testify before Sen. Nimrod and his committee if I chose. Since the citizens of Lake County have been vocal in their disapproval of party declaration at primary elections, even the simple, non-binding declaration we have now, I chose to go, and to testify.

The committee, reduced to its chairman and a couple of aides, heard me out but seemed astonished that anyone could consider SB 18 a leap backward. I indicated that in my view and that of most Lake County voters, the committee should be moving in another direction - to some sort of open primary. That much misunderstood term should not mean that a voter may vote in both parties at a primary.

A more feasible primary system might be one similar to that used in Wisconsin. A voter would receive (upon appropriate application) a ballot for each of the two major parties. In the privacy of the booth, he would vote one of them and not

have had to turn down. We wish that as many advertisers had walked in.

WE'LL PUT UP the new "Antioch News" sign as soon as we're sure it won't be in disagreement with the new sign ordinance now being considered by the village.

Our location at 950 Main St. keeps us in close proximity with most of our advertisers and news sources. In that way, it's good - but, darn it, we now have to cross that bottleneck corner of Lake and Main too often.

Many of us deal with that corner in automobiles and many of us as pedestrians. It's

bad enough in a car, but do you know what a person on foot has to go through?

I have been known to exaggerate at times, but this is roughly the ordeal:

You arrive at the intersection and the lights say:

"Do Not Walk."

There are posts in the vicinity bearing signs that say:

"Press Button For Walk Signal."

If you're a stranger in town, forget it. You won't see the signs and probably will spend - oh, a week, maybe two weeks - waiting for the "Walk" signal.

But those of us who are familiar with Antioch learn to press the button.

Now, according to the best

records we have been able to keep, after pressing the button you can expect to see the "Walk" signal in perhaps 17 or 18 seconds. Well, sometimes it takes 17 or 18 minutes. But eventually the "Walk" signal will flash.

But, alas and alack, that's when your troubles begin. Because when you start walking across the intersection that's when the cars start coming at you. Big cars, with lots of horsepower, big bumpers and grills. They have a real shot at you now, because you saw the signal and think it's safe to cross the intersection.

Sorry, it isn't.

This definitely is a spot for Mary Poppins and her umbrella.

70 YEARS AGO; FEBRUARY 2, 1905

The Kenosha Evening News of Monday has the following to say in regard to the Wren murder: Charles Wannamaker and N. J. Schumacher, two of the men arrested for the murder of John Wrenn, have been released from the jail.

Not since the fall of 1899, when William Tullis, a brawny watchman, was found murdered on his post, has Burlington seen the excitement that ensued Saturday evening, when it became known that Mrs. D. F. Foley, aged 40 years, had been foully slain in her home.

A deal involving almost 3,000 acres of land in and between Libertyville and Roundout has for several weeks been quietly negotiated by representatives of whom nobody could authoritatively determine.

20 YEARS AGO; FEBRUARY 3, 1955

Sixty-four students are listed on the first semester's honor roll at Antioch Township High School. Included are 17 freshmen, 10 sophomores, 20 juniors and 17 seniors.

The Community Chorus of Antioch, regarded as a fine organization, is in need of more voices — both men and women — to make it successful.

New officers were installed this week for the Olson Camp Royal Neighbors of Antioch, including Nellie Hanke, Pearl Anderson, and Agnes Hills.

10 YEARS AGO; FEBRUARY 4, 1965

The new A&P store will be the first to open in the new shopping plaza, with ribbon-cutting slated for Tuesday. New innovations include a customer's lounge, public rest rooms and a Kiddies Corral.

Eight former Antioch High School students, now attending the University of Illinois, made up a panel that attempted to give the Antioch senior class an idea of "What College is Like." The group included Ed Matejka, Bob Thomley, Stan Sutherland, Wilmette Monnier, Dan Hamelberg, Jerry Berke, Norbert Wolters and Jim Barnstable.

Last Chance To Name V.I.P.

There are only a couple of days left to nominate Antioch's V.I.P. for 1975. Nominations must be in to the St. Peter's Rectory by Feb. 7. All Antioch residents who have given outstanding and unselfish service to the community are eligible. So put your thinking caps on and phone 395-0274 today.

Be sure to mark your calendar for March 22. Wally and Betty Podlin, dinner dance chairmen, are planning a gala evening. Kay Wells promises a delicious dinner, Ken Schultz is engaging a great band and the best part of the evening will be the program honoring the V.I.P.

Blood Drawing Goal Reached

St. Peter's quota of 180 units of blood was drawn on Saturday, Jan. 25 during the Red Cross Blood Bank Drawing at the Social Center.

All registered parishioners, regardless of their age or medical status, have complete blood coverage. In addition to all of the parishioners being covered, coverage is extended to family members who might not be parish members at St. Peter's including spouses, children under 17 years of age, parents, parents-in-law, grandparents and grandparents-in-law, regardless of where they live in the United States, Canada, Puerto Rico and the Virgin Islands.

Any parishioners needing blood for any of their covered family members are asked to call group chairman, Mrs. Thomas Aschbacher at 395-0226.

JOHN TERESI Chevrolet-Oldsmobile BRINGS YOU THE OLD FARMER'S ALMANAC

FEB. 10-16, 1975

Hoarse and sullen the night winds blow.

Misspend one quarter hour each day and at year's end you'll have wasted nine days of ten hours each... Could be worst weather of the year this week... New moon Feb. 11... Geese are laying... Average length of days for the week 10 hours, 28 minutes... U.S. purchased Panama Canal strip Feb. 16, 1903... We predict that this year, whatever old maids don't marry, never will... 66 degrees below zero at Yellowstone National Park, Feb. 10, 1888... Shrimps or any raw fish for breakfast will help that bad "morning after."

Old Farmer's Riddle: What kind of ball moves, but is never thrown or caught? (Answer below.)

Ask the Old Farmer: What are your thoughts about the world's energy problems? Do you have any hope? G. K., Boston.

Our worldwide energy "crisis" is man-made and, hence, solvable. And we'd better reach a solution

because our planet is the only place to live in the entire cosmos, an Elysian field compared with the surface of a star, not beset with the coldness of Jupiter, Saturn, Uranus, and Neptune, nor the waterless heat of Mercury.

Home Hint: To prevent nylon cord or twine from fraying at a cut end, heat the end over a small flame. Nylon will melt, and the strands will bond into a solid unit... **Riddle answer:** An eyeball.

OLD FARMER'S WEATHER FORECASTS

New England: Light snow changing to rain on coast and not so cold to start; clearing and colder latter part.

Greater New York-New Jersey: Rainy and warm at first, then rain, mixed with snow or sleet; end of week partly sunny and colder with some light snow.

Middle Atlantic Coastal: Partly cloudy and mild to start, then scattered showers and colder; showers in south and light snow in north latter part.

Southeast Coastal-Piedmont: Week begins cold and raw, then some rain; week ends partly cloudy and cool in north and light rain in central and south.

Florida: Fair and warm day and cold nights to start, then cloudy and cold; rain throughout region by weekend.

Upstate & Western N.Y.-Toronto & Montreal: Most of week rain occasionally mixed with snow in south; 2-4" snow in north to start and heavy snow in west latter part.

Greater Ohio Valley: Cloudy at first, then light snow in west and snow showers in east; cold snap and some light snow latter part.

Deep South: Most of week fair and warm except light rain and cool in north.

Chicago & Southern Great Lakes: Week begins cloudy, then light rain in west and flurries in east; end of week clearing in west with light snow in east.

Northern Great Plains-Great Lakes: Early week clear and warm in west, mild in central and east; end of week unseasonably warm.

Central Great Plains: Cloudy at first, then heavy rain in south and hail in some areas; generally clear and dry latter part.

Texas-Oklahoma: Showers to start in central and south, then clearing and very warm; end of week cold and partly cloudy.

Rocky Mountain Region: Early week cloudy and seasonable in north and central, clear and mild elsewhere; week ends mostly clear and mild.

Southwest Desert: Most of week clear and very warm in west; cool to midweek in east, then warmer.

Pacific Northwest: Mostly sunny and cool all week in south; end of week unseasonably warm in north.

California: Cloudy, cool all week; light rain in north latter part.

Ducks Unlimited Plans Annual Dinner

Ducks Unlimited, dedicated to the preservation of waterfowl habitat, will hold its 1975 dinner here Wednesday night, Mar. 12.

The local group's second annual banquet will be at St. Peter's Social Center, with cocktails at 6 p.m. and dinner at 7:30.

Tickets are going pretty fast, according to Terry Folbrick, area chairman for Ducks Unlimited in northeastern Illinois.

They are available from Tony Starcevic at the State Bank of Antioch. The cost is \$20,

including \$10 for dinner and \$10 for membership in Ducks Unlimited.

They are being sold on a

first-come, first-served basis. Folbrick said. There also is a Green Wing Teal membership available to children up to the age of 16.

"We're trying to encourage fathers to bring their boys," Folbrick said.

The Mar. 12 event at St. Peter's will include door prizes and an auction to raise money to provide wetlands and habitat for ducks in the Canadian provinces.

Last year's auction raised about \$8,000. Items sold ranged from shotguns to limited edition

paintings.

The Mar. 12 program will include an interesting movie on the out-of-doors. Working with Folbrick are Dave Bushing, chairman of the bar committee;

Chuck Miller, dinner chairman; Bill Brook, prize committee; Walter Henning, auction committee; and Starcevic, ticket and finance chairman.

It will generally be found that those who sneer habitually at human nature, and tend to despise it, are among its worst and least pleasant samples.

Francine Henry Receives General Mills Award

Francine A. Henry has been named Antioch Community High School's 1975 Betty Crocker Family Leader of Tomorrow. Francine won the honor by scoring high in a written knowledge and attitude examination administered to high school seniors here and throughout the country Dec. 3. She will receive a specially designed award from General Mills, sponsor of the annual Betty Crocker Search for

Leadership in Family Living and becomes eligible for state and national honors.

From the ranks of all school winners in the state, a State Family Leader of Tomorrow is selected through judging centered on test performance and receives a \$1,500 college scholarship. The second-ranking student in the state will receive a \$500 scholarship. Encyclopedia Britannica Educational Corporation will pre-

sent "The Annals of America," a 20-volume reference work, to the state winner's school.

Together with their faculty advisors, all contestants will gather in Washington, D.C., in April for an expense-paid educational tour of the capital city and Williamsburg, Va. During the tour, personal observations and interviews are conducted to select the All-American Family Leader of Tomorrow, who receives a \$5,000 college scholarship. Second, third and fourth place national winners receive scholarships increased to \$4,000, \$3,000 and \$2,000 respectively.

made to the fiscal year 1975 budget for the Department of Transportation, Division of Waterways. This line item, calling for emergency dredging and repairs on the Chain of Lakes, was vetoed by Governor Walker because it did not specifically detail the actual work to be done.

"THE COMMISSION will submit to the Legislature a detailed report on needed emergency work on or about Mar. 1, 1975," Brook's letter said. "This report should satisfy the type of objections raised by the Governor."

"The assistance of the legislature in helping to preserve and restore this vital recreational resource is deeply appreciated by the commission and all of the people of northwestern Illinois," the letter concludes.

Service Bureau Survey

All civic, religious, service and fraternal groups in Lake County are being asked to reply to a survey being taken by the Volunteer Service Bureau (VSB) of United Way. What volunteer efforts are now being done by these groups and what these groups would like to do, or could do in the future in case of need or community emergency are what they hope to find out.

"The purpose of the Volunteer Service Bureau is to bring the volunteer and the person in need of his services together," says Ellie Rostrom, Director of VSB.

The bureau will send a letter and survey form to all groups for which they have an address. Those not receiving forms by the 15th of February are asked to call the Volunteer Service Bureau, 662-3580, and a form will be sent to them.

NORTH SHORE GREENERY, at 393 Lake St., is preparing for its Grand Opening on Thursday. Storekeepers Debby Ward (left) and Helen Nowak are busy with plants and accessories, making the store attractive to the customers who will be pouring in.

Proclamation

Designating March 2-8 as Lions Recognition Week.

The Lions Club of Antioch is dedicated to providing service to the citizens in need of special help in our community.

The Antioch Lions are one of 629 clubs throughout Illinois with a membership totaling 30,000.

Each year the Lions of Illinois Candy Day program calls public attention to the plight of the blind and visually handicapped. In 1974 over \$1 million was raised to give direct help for his purpose in Illinois.

This type of valid and useful community service is but one of many activity programs conducted by Lions. The Antioch Lions Club should rightly be recognized for its continuous and distinguished service to this community since the day it was organized in 1937.

IN RECOGNITION of what the Lions Club of Antioch has done and, in the hope of encouraging its members to even greater community service, I am declaring the week of March 2 through March 8, 1975, as **LIONS RECOGNITION WEEK** in Antioch, Illinois. I urge all citizens who consider this service club to be an irreplaceable asset in our community to observe this special week and to support the Lions Club of Antioch.

Plants Galore At New Store; Opens Thursday

"One of Lake County's most unique shops" will hold its grand opening in Antioch Thursday.

The North Shore Greenery is opening at 393 Lake St., the former location of the Associated Music store.

The owners, Debby Ward and Helen Nowak, feel they are bringing to Antioch "The finest greenery in Lake County."

They will specialize in a

remarkable variety of plants and all the accessories that go with them.

Pottery, terrariums and other plant supplies will be featured.

"We will help out with whatever our customers need to plant in," said Mrs. Ward. "Or whatever is needed to display a plant and keep it healthy."

"We never sell a plant without telling the customer how to take

care of it," Mrs. Nowak added. "We will do the potting for people, too, if that's what they want."

The store is an interesting display of greenery, accessories and is equipped with the ultra-violet lights that keep plants healthy.

North Shore Greenery assures us that they have the best suppliers available. Their

wholesalers carry every kind of plants, including the tropical variety.

"If we don't have the plant you want, we can get it for you," Debby said.

The new greenery is certain to attract a lot of browsers this week and Thursday's opening is excellent timing. Valentine's Day is right around the corner and, as we all know, plants and Valentines go together.

Apache Matmen Crush Zion

The Antioch Upper Grade School matmen continued their winning streak by crushing Zion on Wednesday, Jan. 29 by a score of 39-12. Winning by decision were Rob Crowell, Kevin Murphy, Marvin Gibson, Tom Mehlhorn and Gene Lehn. Winning by pins were Jon Gibson, Mike Dye, Brad Warren and Kirk Sarmont.

On the exhibition mat, the Apaches were also victorious, winning by a score of 16-9. Defeating their Zion opponents were Bill Davis, Paul Quinn, Hal Fox, Ted Bessette, Tony Mingerelli and Dino Braglia.

The Apaches next opponent will be Fox Lake on Thursday, Feb. 7 at the Upper Grade School at 4:00 p.m.

CHANNEL LAKE CHATTER

a delightful play last Friday and Saturday entitled "Thurber's Carnival." Attending the play from our area were Donald and Barbara Bjork and daughter Judy, Wayne and Dolly Bobo, Lou Portalski, Ceanna Portalski, Dee Novik, Kay and Art Doty, Mr. and Mrs. Lindberg and daughters, Sandra and Ingrid, Louise and Joe Gutowski and children, Jim and Jeri and Vickie DeWitt.

After the Saturday night performance a cast party was held at the Gutowski home. Twenty-eight members of the theatre group and their dates, plus Mr. and Mrs. Ken Smouse, attended the lasagna buffet supper and had a good time playing their guitars and singing along. Now the drama department will be getting ready for their spring production of "Oklahoma."

The Channel Lake Grade School Parent-Teacher Club will be having a meeting on Tuesday evening in the school gym at 7:30 p.m. Be sure to mark this date on your calendar. Refreshments will be served after the meeting.

Let me know the news.

Clever Clovers Plan Spring Fun

The Clever Clovers 4H Club held their January meeting and made plans for the spring activities. Members were told to think of ideas for the Share The Fun program which is coming soon.

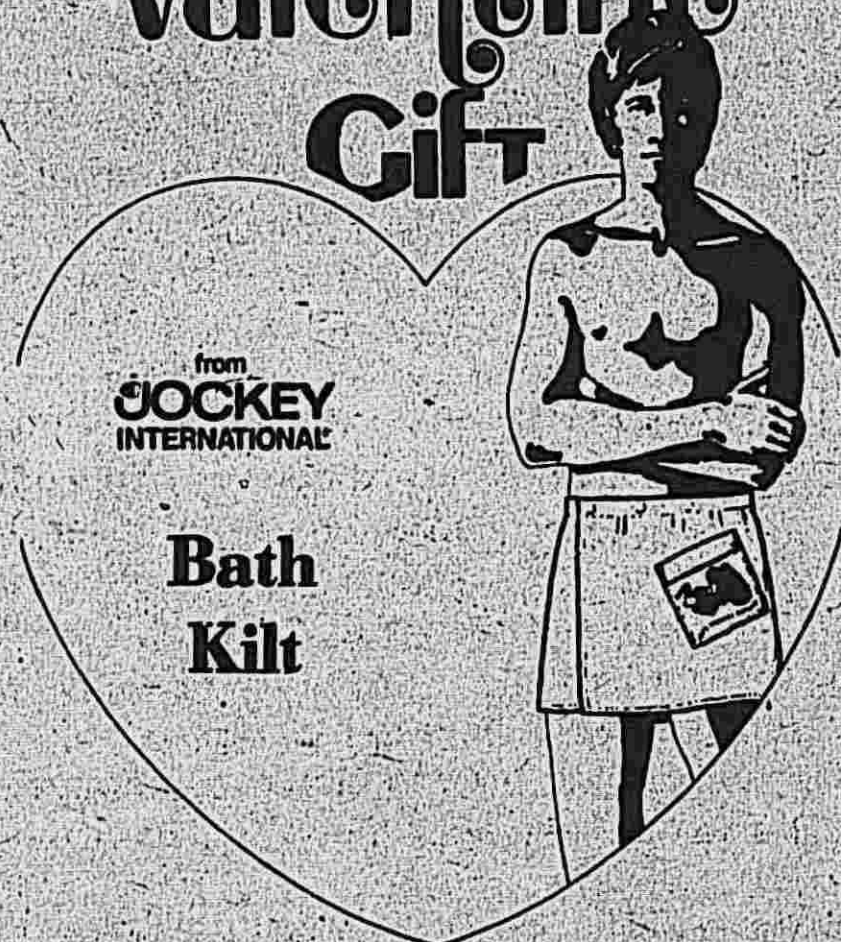

Shirley Fosmark, our treasurer announced that if dues weren't paid by the February meeting, there would be a \$50 fine. Dues are \$1 a year.

On Sunday, Jan. 26, some of the members went roller skating in the Zion Roller Rink. There was supposed to be an ice skating party at Whittons in Channel Lake, on Jan. 24, but because of the rain it was cancelled.

The next Clever Clover 4H meeting will be held on Thursday, Feb. 6.

Debbie Stankus was the guest of honor at a bridal shower on Saturday, Jan. 25 at Kay Doty's home. She received many lovely gifts from her family and friends. Debbie and her fiancé, Bruce Brogan, are planning a small family wedding in the near future.

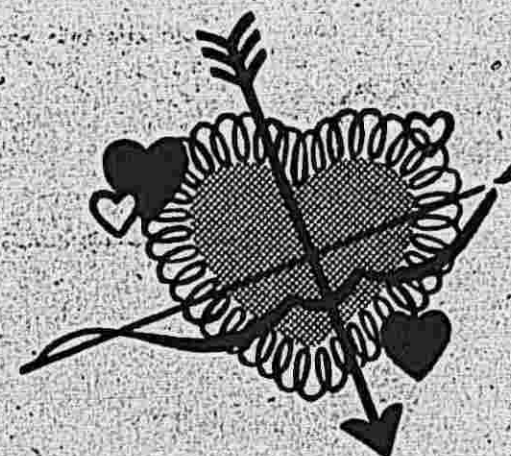

John "Bud" and Sandy Patterson are the proud parents of an 8 lb. son, born on Saturday, Jan. 25. The little blue bundle has been named Jason Alan and has a 5 year old brother, John, who is very anxious to take his new brother for a snowmobile ride.

Congratulations to Judd Smith and Debbie Bruegemann who became Mr. and Mrs. at a small ceremony at the bride's home on Saturday, Jan. 25. Judd is the son of Tom and Charlotte Smith and is presently in the Air Force.

Tom and Charlotte Smith celebrated their 20th anniversary last Friday night with a party at their home for many of their family and friends. The Smiths had another celebration on Tuesday, Feb. 4 when their daughter, Jenny, had her seventh birthday party.

Also, birthday wishes to Billy Corey who blew out six candles on his birthday cake last Sunday.

Newcomers Plan Busy February

The Antioch Welcome Wagon Newcomers Club will hold a general meeting at 8 o'clock tonight at the State Bank of Antioch.

Members are urged to bring such items as:

Combs, cigarets, stamps, stationery, hard wrapped candy, soap, small kleenex packets and dimes.

Wesleyan Dean's List

Alice Burnett and Karen Yopp of Antioch and Janet and Barbara Polsgrove of Lake Villa were among the 580 students named to the Deans List for the fall semester at Illinois Wesleyan University in Bloomington, Ill.

To be named to the list a student must earn a grade-point average of at least 3.250, based on 4.0 for all A's during the semester.

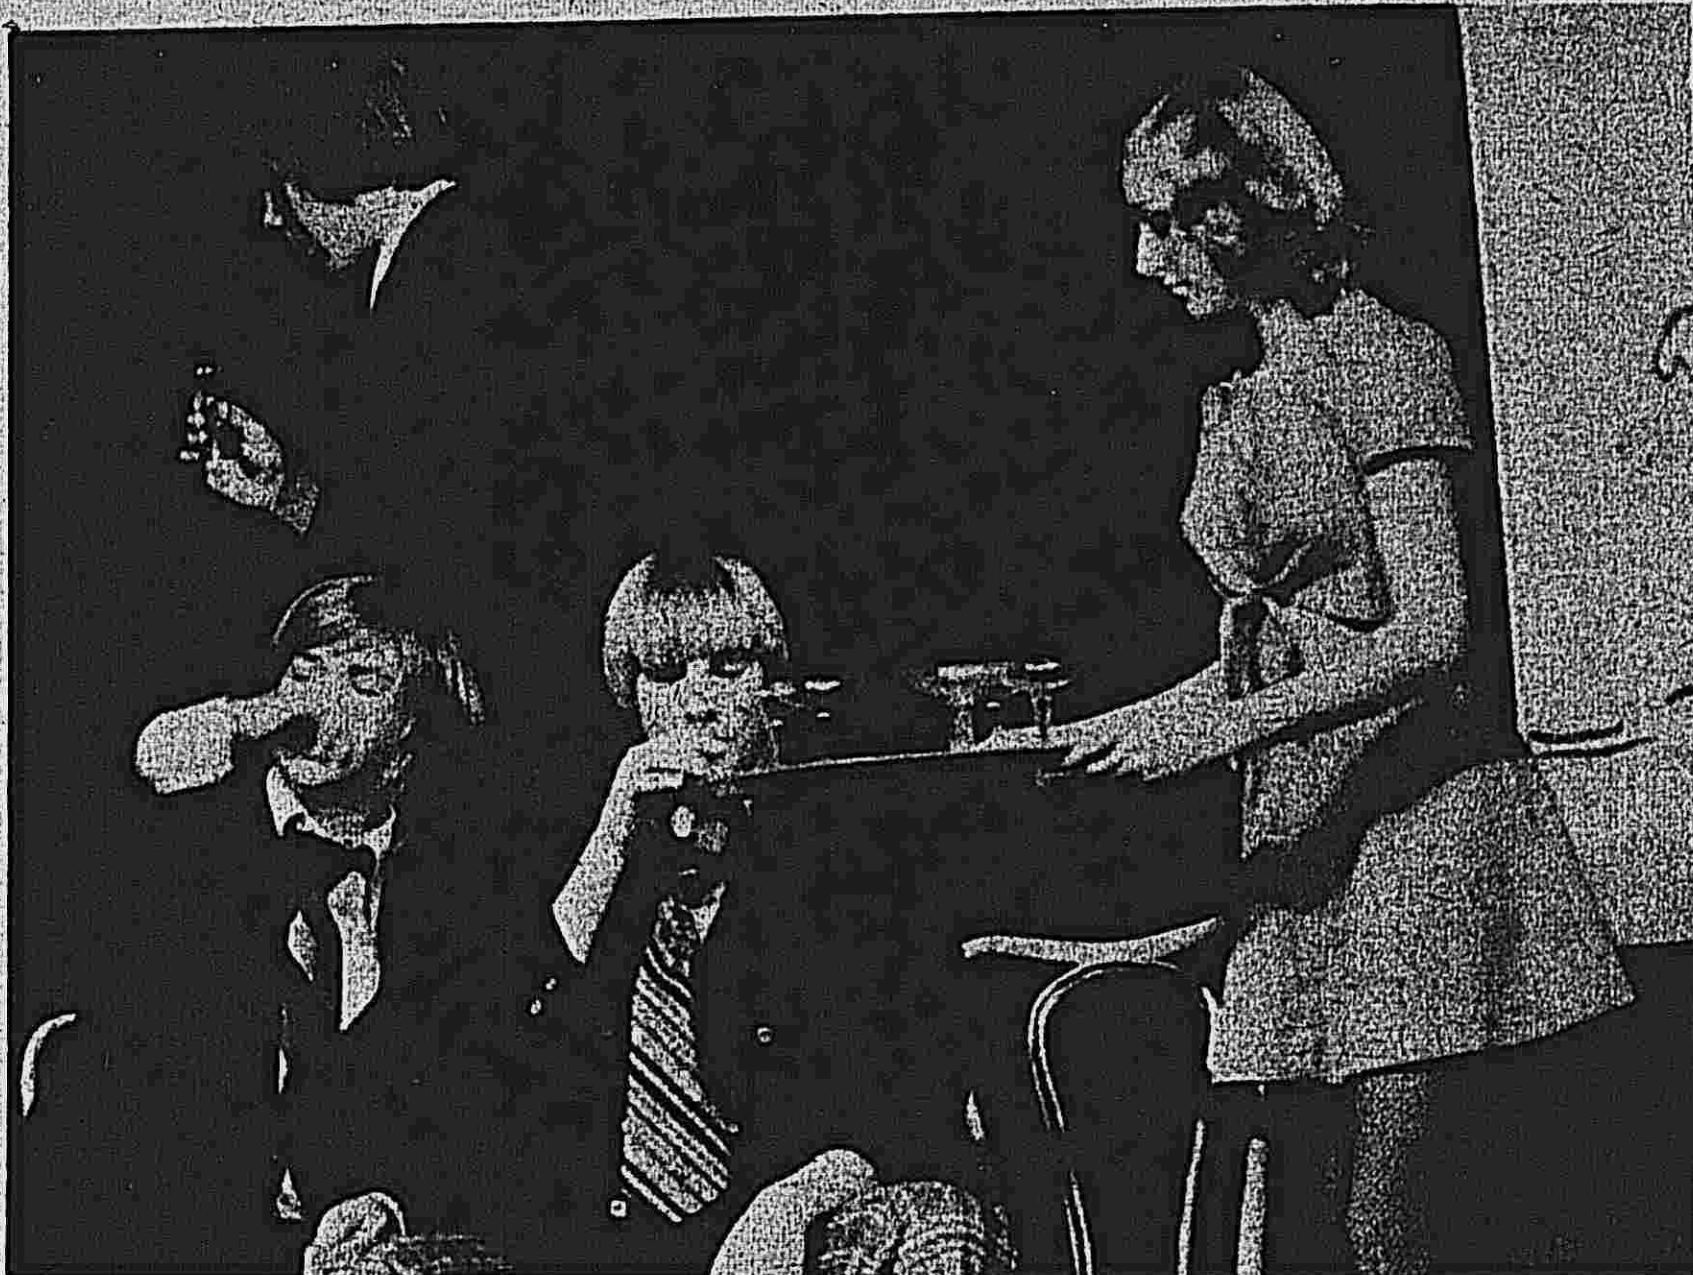

These will be wrapped at the meeting and taken to the residents of the Lake Villa Nursing Home as Valentine gifts.

There also will be a raffle tonight of Jenny Franchik's hedgeball floral piece and driftwood creation.

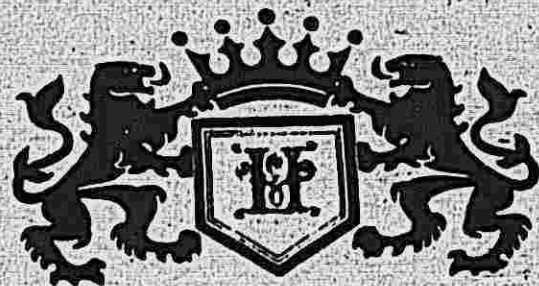

THE CLUB PLANS a bake sale on Saturday, Feb. 15, beginning at 9 a.m. in the rear lobby of the State Bank of Antioch. Lillian Nannini is chairman and members should call her at 395-3352.

On Friday, Feb. 28, a "conducted house sale tour" will begin at 8:45 a.m. Items inside certain homes on the North Shore will be offered for sale. Lunch will be at the Willow Inn in Northfield and, if time permits, the Baha'i Temple in Wilmette will be visited.

Those interested should call Judy Moffett at 395-5765 by Monday, Feb. 24.

Broadway Music Revue Auditions

St. Therese Hospital will hold open auditions for singers, dancers, musicians and choristers for a gala stage revue of 75 years of great Broadway music on Saturday, Feb. 15.

All auditions will take place in Mother Lenoarda Auditorium, adjacent to the hospital, at 2615 W. Washington Street, Waukegan. A piano accompaniment will be provided when possible; otherwise a piano, organ (for vocalists), or record player and loud speaker system (for dancers) will be available.

The actual show, staged on consecutive evenings in October, will be professionally

produced and choreographed by St. Therese Hospital, in conjunction with Choral Dynamics, Inc. of Mundelein.

Anyone interested in auditioning should call either the hospital public relations office (688-2404, 2603) during the day or 433-0578 and 566-6393 during the evenings. Audition forms can be sent out in the mail.

Auditioners are requested to prepare at least one or two numbers from some past or present Broadway show.

'Prisoner' Opens This Weekend

Antioch's PM&L Theatre is ready to please live-theatre audiences with its third production of Season 14. "Prisoner of 2nd Avenue," by Neil Simon, directed by Tessa Smith, will run Feb. 8, 14, 15, 21 and 22. Curtain time is 8:30 p.m.

Neil Simon is a favorite of community theatre groups and of theatre audiences. His fast paced, side splitting one liners and punch lines all add up to an evening of hilarity. "Prisoner" is not just another comedy, however, running through the entire production is the theme of our hectic times -- inflation, unemployment, anxiety and depression.

The cast includes Pam Hill and Bob Andresen as Edna and Mel Edison. Bob Lindblad plays Mel's brother, Harry, and their three sisters are Lillian Allen,

Shirley Jensen and Shirley Bunker.

Make your reservations now by calling 395-3055. Box office prices are \$2.25 for adults and \$1.00 for students.

Soph Wrestlers Finish Undefeated

For the first time ever at Antioch High School the sophomore wrestling team has gone through the entire dual-meet season undefeated. The Sequoits met 17 opponents throughout the season, and came away with a victory each time. This Friday Antioch shut out Stevenson 59-0 and Saturday the Sequoits topped Warren by a 37-16 mark.

Scoring two pins for the Sequoits this past weekend were Bob Gossman and the ever-improving Art Dilger. Scoring at least one pin and one decision for the last two meets were Pat Conway, Don Traska, John Kakacek, Rich Gorski and Bob

DuCato.

The Sequoits end their season this Saturday, Feb. 8, at the Grant Sophomore Invitational Wrestling Tournament. Antioch will join nine other Northwest Suburban Conference schools at Grant High School to determine the unofficial sophomore conference champion.

The Antioch soph wrestlers have held the crown for the last four years.

Preliminary rounds begin at 9 a.m. with the semi-finals and wrestle-backs starting fifteen minutes after completion. The third place and finals will begin fifteen minutes after the finish of second round wrestling.

Lake Villa Driver Killed in Crash

A 38-year-old Lake Villa man died last Friday after his car crashed into a tree on Washington St., west of Gurnee, three fourths of a mile west of Hunt Club Rd.

Raymond A. Kunding, of 1002 Eastmore Ave., was a

former Round Lake police officer. He was pronounced dead at 8:35 p.m. at St. Therese Hospital in Waukegan.

The coroner's report said Kunding suffered massive internal and external injuries after he apparently put on his

brakes and skidded off the road and into the tree.

In another fatal accident, a 30-year-old Chicago advertising executive, William S. Culbertson, died of injuries received Saturday in a one-car crash at routes 132 and 59 near Lake Villa.

Sheriff's deputies said his car went out of control and skidded about 250 feet broadside before slamming into a utility pole. His car, traveling west, first hit the center median before it went into the skid, deputies said.

American Party Club

"The Crime Explosion" will be the timely topic discussed by Mrs. Phyllis Stevenson, Executive Director of the Lake County Crime Commission Saturday, Feb. 8 at 8 p.m. at the meeting of the American Party Club of Lake County. the other. Upon leaving the booth, he would deposit the voted ballot in a box to be counted, and the unvoted ballot in a box to be destroyed — and no one — not the election judges or the committeeman or the watchers would know which one had gone into which box.

I CONCLUDED my eloquent, even fervid, presentation to no applause whatsoever and returned to my seat. A flurry of activity at the door distracted us and in a phalanx of attendants, the mayor of Chicago entered. He testified too. He supported the bill as ardently as I had opposed it, reading from a prepared statement and citing the need to keep the two party system strong. He made a cogent argument; it just wasn't mine.

A County Clerk has many functions — tax extension, keeping the vital records, etc. But the most significant thing I do — and I confess to some feeling of mission about it — is to

manage voter registration and the elections in my charge in such a way as to serve the convenience of my constituent voters.

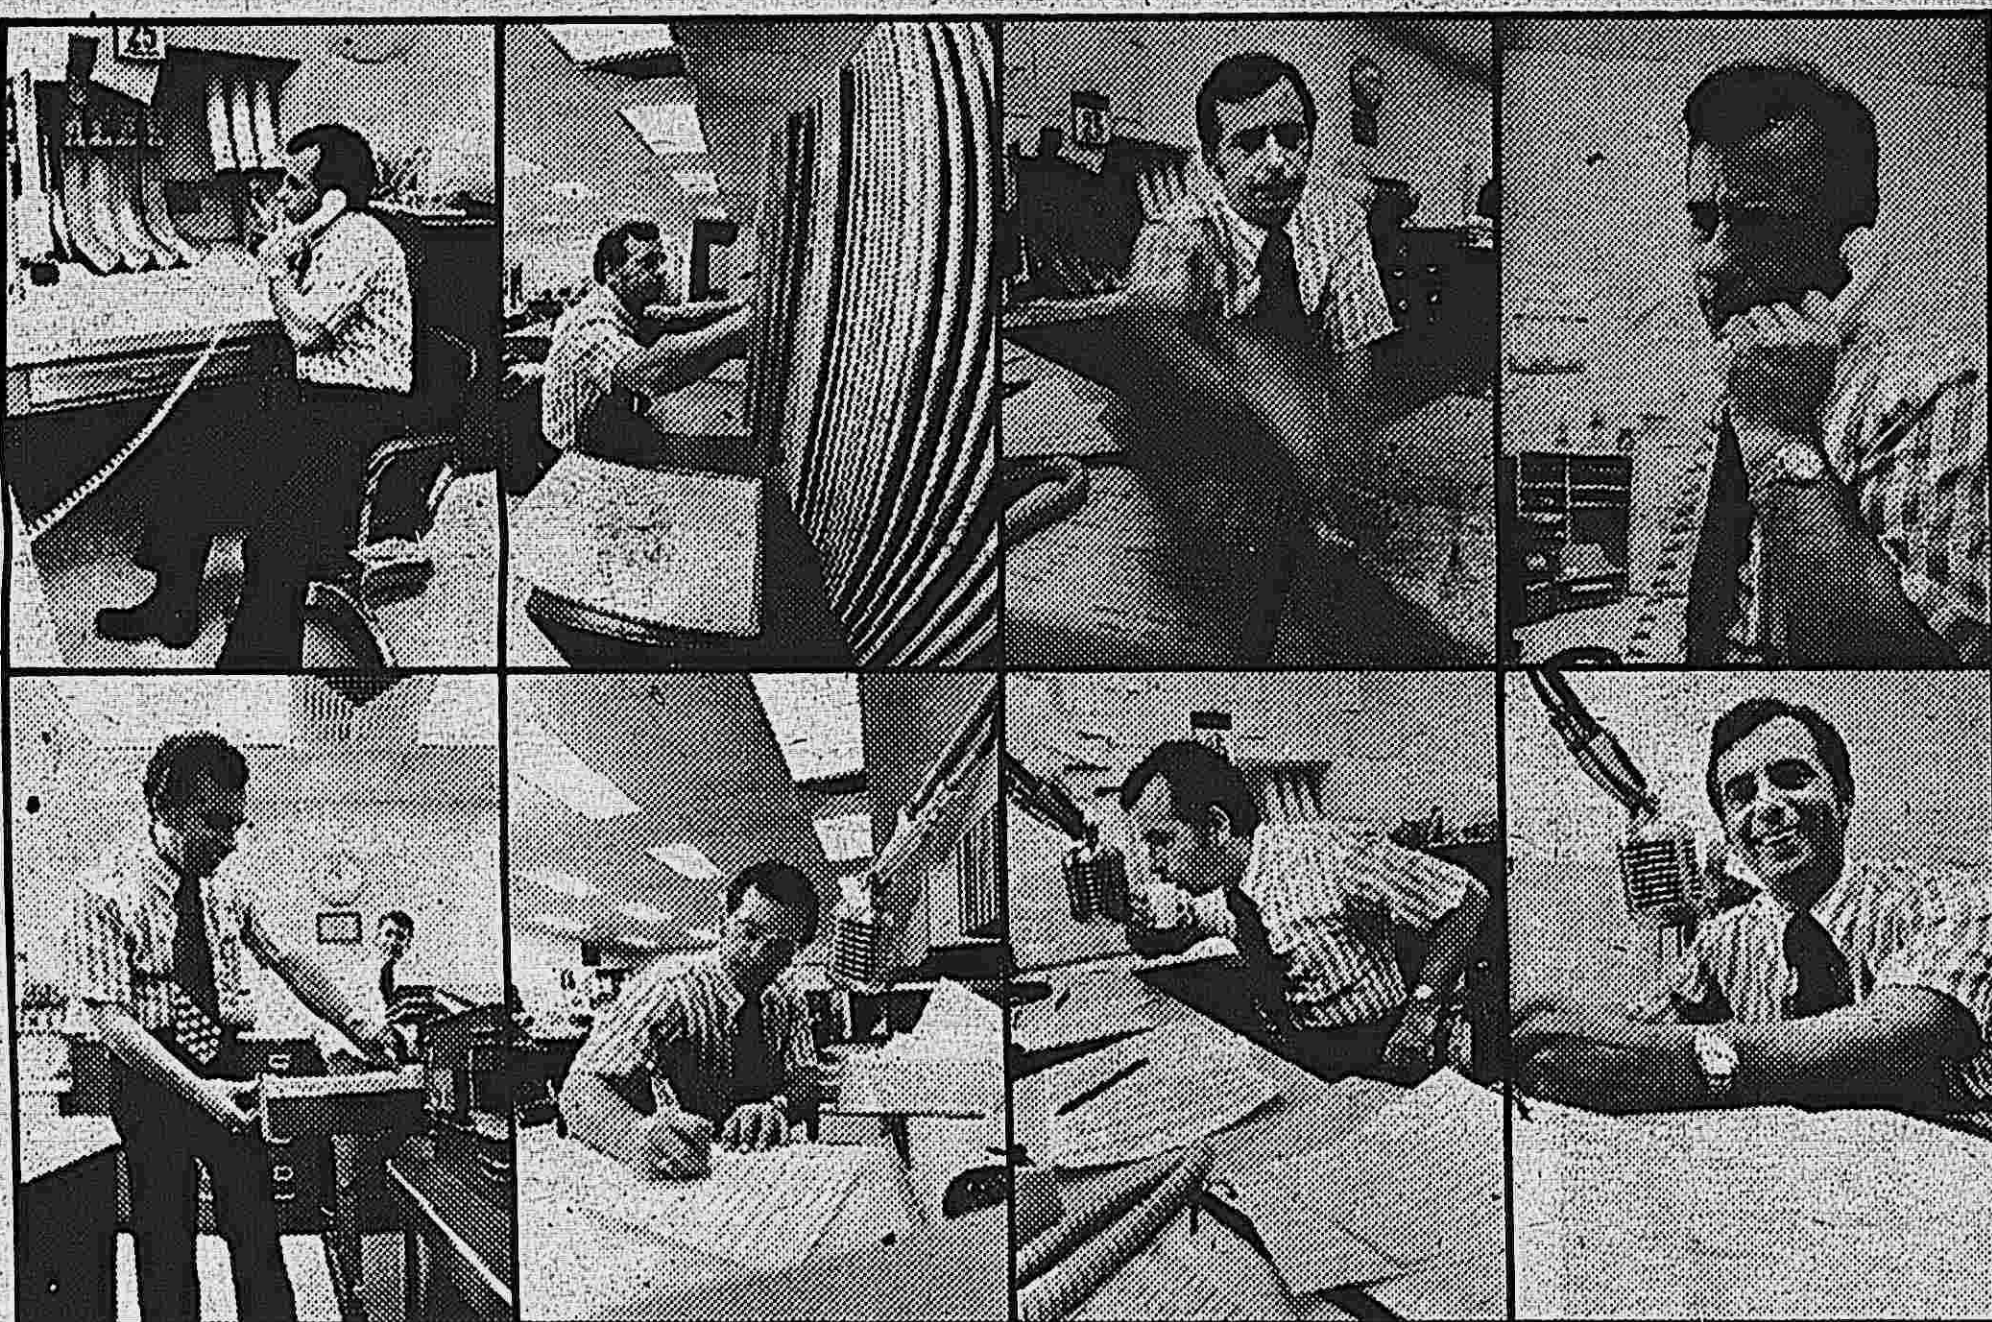

We spend much time, ferreting out ways to maximize registration and voter participation because I have a strong conviction that, given exposure to the candidates and issues — and accessibility to the polls — the people are going to come up with the right answer 19 times out of 20.

SB 18 appears to be aimed at "independent partisans", the rumor is that it is a "Get Walker" bill. True or not, it will have political implications for all voters who are not dedicated party people and those, in my view, are the majority.

This kind of mutually destructive party warfare must be exposed and stopped when it impinges on the voting freedom of the small 'p' people in our small 'd' democracy.

A PRIMARY ELECTION, the occasion on which the two major parties select the candidates whose names will be on the general Election ballot, is where the action is. The widest possible participation must be encouraged and the fewest possible obstacles laid on the path to the polls. The requirements of SB 18 — the six months in advance affirmative action to affiliate politically in order to vote — smacks more of roadblock than simple protection of the parties' integrity.

I support the two-party system. I'm a Democrat and proud to be. But I am, to use a phrase immortalized by one of our local pols, "diabolically opposed" to this concept of party discipline and regimentation. Maybe if we yell loud enough, our legislators will hear and return SB 18 to the oblivion it deserves ...

John Fanella, computer.

There's a "device" in this room that's equipped with an immense memory bank that can receive customer complaints, sort through a maze of lines and cables, then send a crew to the trouble spot, all in a matter of minutes. That's him in the striped shirt.

His name is John Fanella and he's one of the many Edison dispatchers who are ready for action 24 hours a day, 7 days a week. Because when there's an emergency, it's the dispatcher who gets the call. He's the man who uses raw

information and his powers of deduction to estimate where, along the thousands of miles of overhead lines and underground cable, the problem lies. He's the man who then sends out the emergency crews to track it down and solve it. And because electricity is so vital to the welfare of a city, he must do all this with computer-like efficiency — whether the problem is an overloaded transformer or a tornado.

John Fanella has been through storms so bad that emergency crews had to be called in from as far away as Colorado. He's worked through the night restoring electricity

to a factory so people could go back to work in the morning. He's even sent out a man to rescue a pet cat stranded on a pole.

In a day when some companies rely heavily on the impersonal response of a computer, we're glad to have John and our other dispatchers. As he puts it, "I have the highest respect for this department and our people. They're the most dedicated people I've ever met. But you've got to be dedicated to be in this business."

Sequoits Win Easily, Face Warren

Ready to Tie Conference Record

The No. 1 team in the Northwest Suburban Conference plays the No. 2 team this week.

It would have been for at least a piece of the conference championship, but Warren (the No. 2 team) took some of the luster out of the game by losing to Grayslake 72-65 last Friday.

Antioch (the No. 1 team, of course) made its conference record 8-0 by romping past Stevenson's Patriots, 91-54.

SO IT'S Antioch (8-0) at Warren (6-2) Friday night, 6:45 p.m., in Gurnee.

Although the conference title may not be at stake, a victory is of great importance to Antioch's Sequoits.

It would be their 25th straight conference win and would tie the record set by Barrington, back in 1950 when that team was a member of the league.

It also would assure Coach

Roger Andrews' Sequoits of another conference championship. And it might give Antioch some consideration in the state rankings — a spot which the Sequoits richly deserve.

AGAINST STEVENSON'S Patriots, Antioch moved to a 27-13 lead in the first quarter and enjoyed a 46-27 advantage at the half.

The Sequoits made 60 percent of their field goal attempts as they wiped out the Patriots. Russ Albano hit on 12 of his 18 shots, Mike Perrone swished 9 of 13, and Mike Witt was almost flawless as he caged 6 out of 7.

Albano and Perrone finished with 24 and 22 points respectively and still rank as two of the top scorers in Lake County. Witt wound up with 12 points and George Ferguson came off the bench to finish with 14.

COACH ANDREWS had par-

ticular praise for his reserves. Four of his starters — Albano, Perrone, Mike Witt and Scott Kimball — amassed too many fouls in the first half and the second stringers were called into action.

Andrews said that Mitch Witt, Bob Dubek, Ferguson and Jon Bodin played so well that Stevenson couldn't take advantage of the absence of the regulars.

Ferguson not only scored 14 points but hauled five rebounds. Albano, having a fine night, finished with 13 rebounds in addition to his 24 points.

"I WAS real pleased with our shooting from the field," said Coach Andrews. "But we have to do a little better job defensively and watch our foul situation."

The Sequoits ran up a total of 30 fouls during the night. "That causes some concern," the coach said.

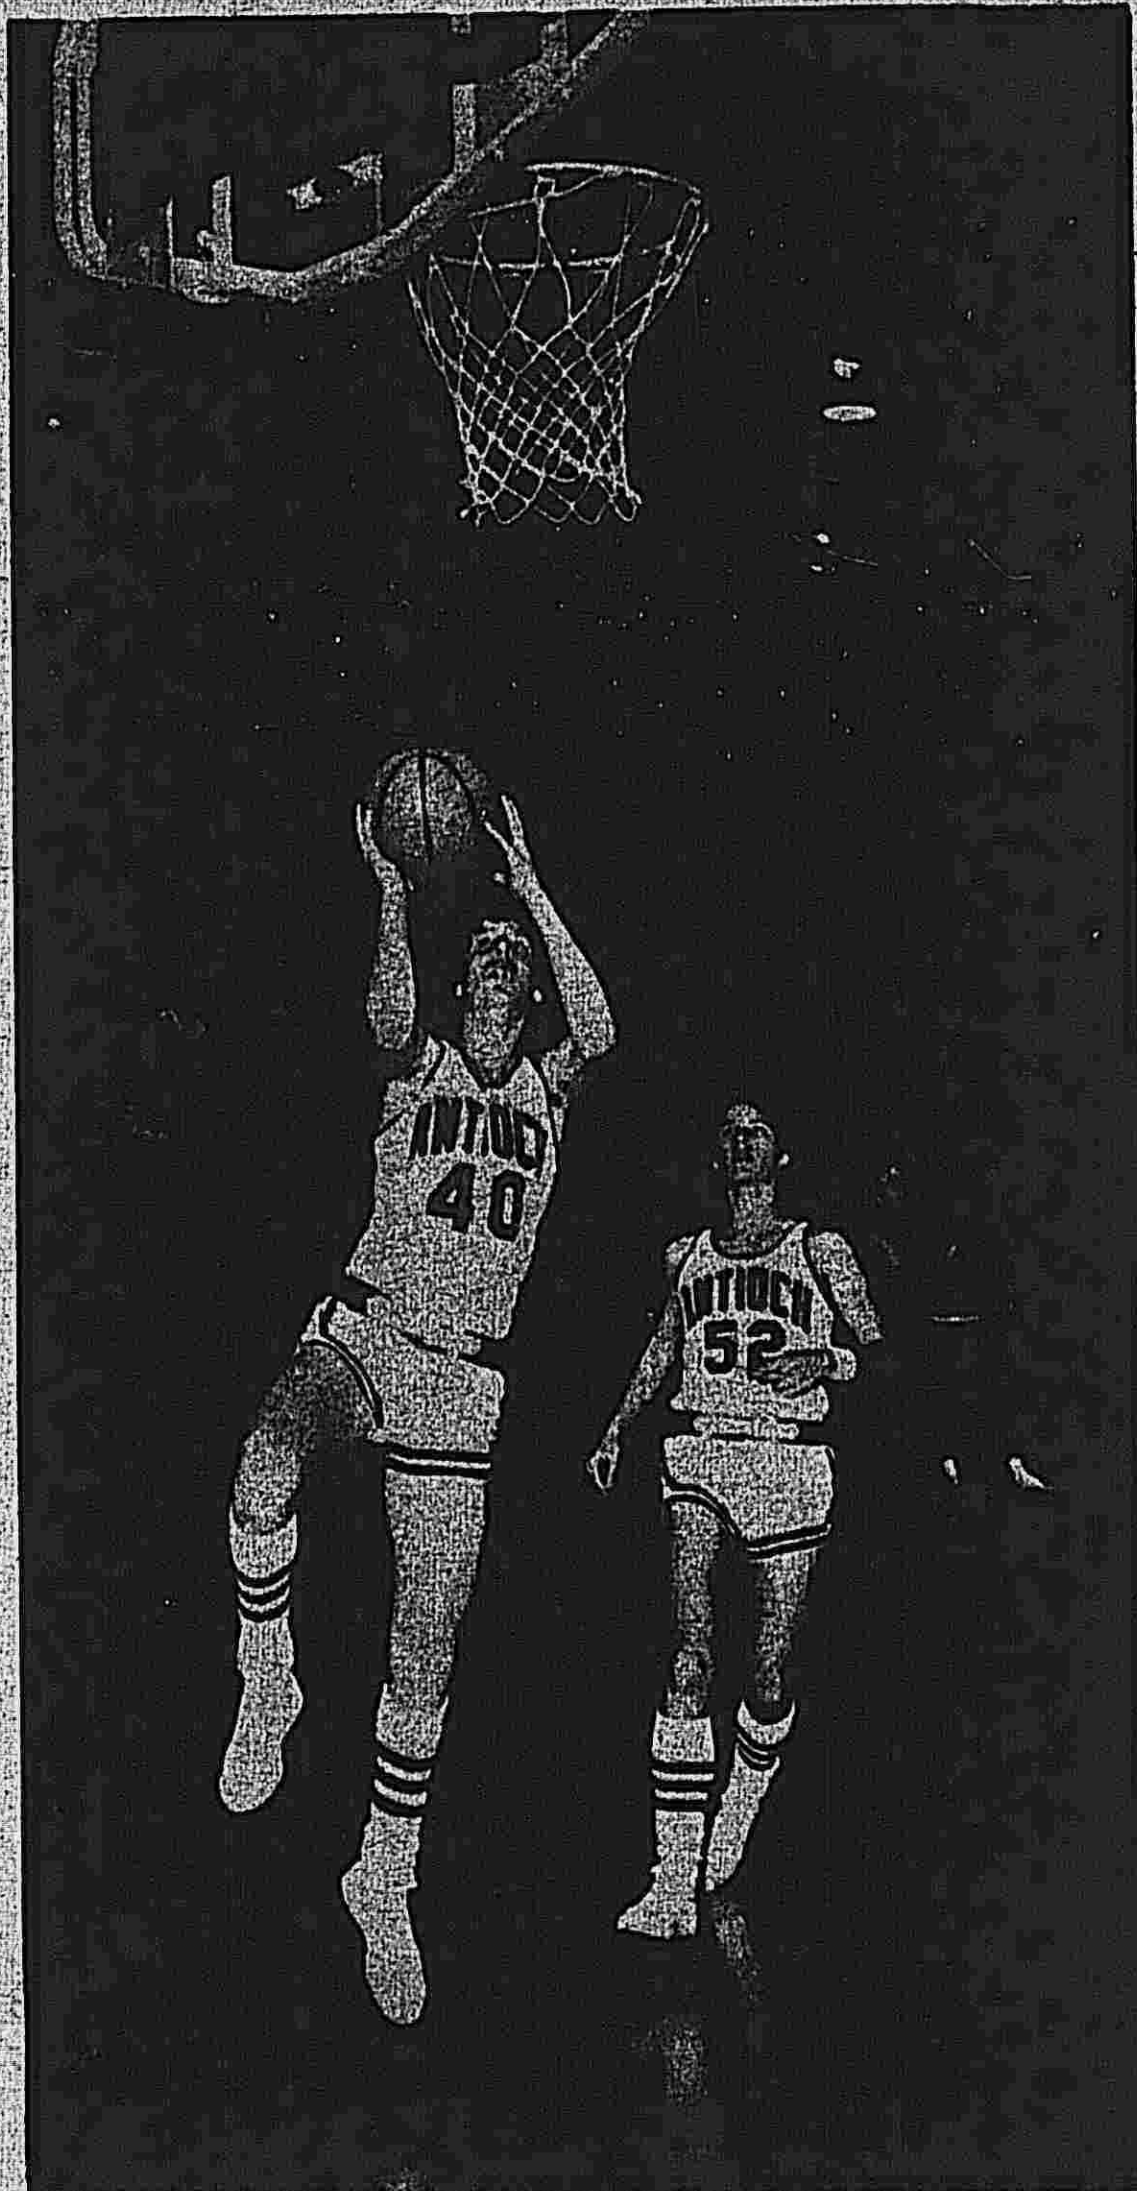

"But the kids did real well and I was extremely pleased with the work of our bench," Andrews said.

HE ADMITS that Warren's Blue Devils could be a "pesky rival" this Friday night and doesn't want his Sequoits looking beyond this game — which should be their 25th consecutive conference victory.

But after that comes a two-game home stand — a Friday, Feb. 14, game against non-conference foe North Chicago, and then a Saturday, Feb. 15, conference game against Woodstock. In that one, the Sequoits could set a new league record of 26 consecutive wins.

The conference standings:

Antioch 8-0, Warren 6-2, Cary Grove 5-3, Grant 4-4, Round Lake 4-4, Stevenson 4-4, Grayslake 3-5, Wauconda 3-5, Woodstock 3-5, Lake Zurich 0-8.

SEQUOIT BOB DUBEK goes in for a layup as Mitch Witt (52) observes. They were two of the Antioch reserves singled out by Coach Roger Andrews for contributing to the 91-54 victory over Stevenson after Sequoit regulars were sidelined with excessive fouls.

Sophs Lose Tough One

Antioch's sophomore basketball team lost a hard-fought game against the undefeated league-leading team from Stevenson last Friday. The final score was 52 to 36; however, the game was much closer than the score indicates.

Trailing 14 to 8 at the end of the first quarter Antioch switched to a zone defense and trailed 24 to 19 at the half and 32 to 28 after three quarters.

Late in the fourth quarter the Sophs still trailed by four

points. Stevenson held the ball and forced Antioch to go into a man-to-man defense. At this point Stevenson's speed and quickness took control and took the game out of reach for Antioch.

Twelve points by Don Norwick led scoring for Antioch with Brian Andrews, Tracy Sodman, Pat Houghton and Mark Stewart each getting six.

Antioch is at Warren this Friday and will play North Chicago at home on Saturday. Game time is 6:45 p.m.

Big Game For Frosh

First place in the conference standings will be at stake Saturday when Antioch's freshman basketball team travels to Warren.

Warren's Blue Devils are unbeaten while Antioch holds second with a 7-1 record.

The future Sequoits can share the top spot if they knock off the Devils.

Antioch recently got past a stubborn Stevenson team 46-41 behind some superb shooting by Tom Huebner. He scored 19 points, hauled down 13 rebounds, made 10 recoveries and had 9 assists. Coach Norm Hahn called it a "superman performance ... the best game by any individual freshman this year."

John Eder chipped in eight points and Dennis Korjenek handed out five assists besides gaining praise from Hahn for his ball handling.

ALSO LAST WEEK the frosh traveled to Zion and ran into a real buzz-saw as the Zee-Bees prevailed 55-23.

Antioch was unable to get hot and the quicker Zion players

Wrestlers Aim at Conference

Antioch High's varsity wrestlers finished their dual meet season here Saturday with a 33-14 victory over Warren.

The Sequoits finished with 15 wins and only 4 losses, including an 8-1 record in their conference.

Last Friday the Sequoits smashed Stevenson 57-7. Several Antioch wrestlers won by forfeit, including Tim Vandermeer, John Davis, Scott Shaffer, Bill Hogan and Mike Weber, as the visitors were unable to produce enough wrestlers.

Scoring pins for Antioch were Brian Parpan at 112 pounds, Greg Nordstrom at 126, Rich Coles at 145 and Dick Kessler at 167.

Dennis Thain, at 132 pounds, scored Antioch's only decision, a 5-2 win over his foe.

SATURDAY'S MATCH was crucial in the conference, and

the Sequoits crushed Warren 33-14.

Both teams entered with 6-1 records and it figured to be close.

But the Sequoits jumped to a 10-0 lead as Robin Arene scored a one-sided decision at 98 pounds and John Davis did the same at 105.

Brian Parpan then won easily at 112 pounds.

Scott Shaffer tied his foe, then Antioch won the next three weights as Greg Nordstrom, Dennis Thain and Bill Hogan reeled off wins to run the score to 24-12.

Warren won two of the last four bouts, but Antioch's Dick Kessler and Mike Weber scored impressive wins near the end of the competition.

ALTHOUGH ANTIOCH'S 8-1 record places the Sequoits second in the conference (Grayslake has an 8-0-1 record),

the championship will be decided this weekend at the conference tournament.

The event will be held at Cary-Grove High School with sessions at 7 p.m. Friday and 1 p.m. Saturday. The finals begin at 6 p.m. Saturday.

Coach Ted DeRousse feels his Antioch wrestlers are a stronger tournament team than Grayslake and will win the title.

Points scored in dual meets (Grayslake has 34 and Antioch 32) will be added to those earned in the tournament.

"It will take about 100 points to win the championship, so most of them are yet to come," DeRousse said. "Antioch looks very strong in the lower weights and is certainly capable of scoring in the upper weights."

DeRousse expects most of the tough competition to come from Grayslake, Woodstock, Warren and Grant.

George Schoenleben Wins \$15 in Contest

Antioch's Sequoits trounced Stevenson's Patriots by 37 points last Friday. The final score was 91-54.

The least surprised people in Antioch were George Schoenleben and Patti Wilton.

They had predicted in the Antioch News basketball contest that the Sequoits would win by 33 points.

George came closer to predicting the outcome of the Antioch-Stevenson sophomore game, however, so he wins the \$15 first prize.

He said Stevenson's sophs would win by 10, while Patti said they would triumph by six points. The final point spread was 16, although it was close most of the way.

SO PATTI, who won \$15 by placing first in the contest just two weeks earlier, will receive second prize this week - a \$10 gift certificate at A&B Printing.

Third prize, a \$5 gift certificate at the Four Squires clothing store, goes to Tom McAvoy. He predicted that Antioch would win by 32 points. George Keulman also came

close, picking the Sequoits to win by 31.

Lots of fans came close last week. Steve Pilcher, for example, picked Antioch to win by 27 points. Steve Lasco picked the Sequoits by 26 and Mike Gutowski said 25.

The most popular forecast was Antioch by 23. No less than 10 people predicted that point spread. They were Dale Lynn Weiss, Gordon De Boer, Keith Radke, Bob Dubek, Karen Allen, Maria Grippando, "Cider" Gutowski, Mike Anderson, Mel Smith and Doug Schreiber.

"Cider" was the contest's first canine entrant, and he came closer than a lot of humans. Had "Cider" won, we would have sent him \$15 worth of dog food.

ANOTHER CONTEST, of course, appears in today's Antioch News. As usual, first prize is \$15. Second prize will be a \$10 gift certificate at Gibbs and Jenssen's Carousel, and third prize a \$5 savings account at the State Bank of Antioch.

The "Game of the week" is Friday's clash between Antioch and Warren, the two top teams in the Northwest Suburban Conference.

Grass Lake Wins 44-19

Grass Lake's eighth-grade basketball team scored a 44-19 win over Spring Grove last week.

Grass Lake zoomed to a 19-6 lead in the first half and was never in trouble as Kevin Walsh

scored 15 points and Pat Sikorski 14.

Spring Grove won the seventh grade game 22-17 as Lonnie Kaminski led with seven points. Spring Grove actually led 13-0 at halftime before Grass Lake's team started finding the range.

Frosh

scored easily and often on their fast break.

Coach Hahn used the non-conference game as a chance to give his second-string players some experience, but Zion showed no mercy.

Huebner, with 12 points, was the only Antioch player performing near par.

Antioch's "B" team beat Stevenson 38-29 but lost to Zion 38-31. Dale Appelhaus, Chris Ano, Jeff Mulder and Joe Vojtech each scored six points in the victory over Stevenson.

At Zion, Ano banged in 13 points and Appelhaus added eight. The "B" team now has a 7-5 record.

John Eder chipped in eight points and Dennis Korjenek handed out five assists besides gaining praise from Hahn for his ball handling.

Coach Andrews Wins \$20 in News-Sun Contest

Each week the Waukegan News-Sun prints a basketball action picture but removes the ball from the photograph.

The trick for readers is to guess where, in all that action, is the basketball.

Last week for the first time, Roger Andrews, Antioch High

School's head coach, entered the contest. He put his "X" in the right spot and won the \$20 first prize.

Coach Andrews and his friends were amused and delighted with his success.

You don't have to be an expert to win, but sometimes it helps.

You never get a second chance to make a good first impression.

DOMESTIC AND INTERNATIONAL ABC's of Travel

By BARB CORBIN

Minimize your travel grief. Old pro though you may be on traveling overseas or in fact anyplace, here are a few before-the-fact tips that might help make those business pleasure trips even smoother.

Try putting one change of clothes and your toilet articles in your carry-on luggage - just in case you should get to your destination before your checked baggage does. Also, take along a copy of your eye-glass prescription in lieu of a spare pair, just in case of an accident with your glasses. Put your name and address on the inside of all your luggage as well as on the outside. This is in case those outside stickers come unstuck. Carry only as much luggage as you can handle yourself, especially in foreign countries, as there are no porters. Leave home any pens that might choose to leak at the lower air pressure of high-altitude flight.

As a general rule for packing, you'll hardly ever be wrong when you take half the clothes you think you'll need. If you're debating about taking your various electrical items, such as shaver, hair dryer etc., there is a new 7-piece converter set that lets you plug in almost anything anywhere in the world. This can be obtained from various large department stores and luggage stores.

One last helpful hint - should you become ill in a foreign country and can't speak the language, contact the Interna-

Barb Corbin

tional Association for Medical Assistance to Travelers (IAMAT). They have 300 centers in Europe, Asia, Latin America, Africa and remote islands in the Atlantic and the Pacific. They handle medical calls in at least five languages. Membership is free. These physicians are all specialists and more than 90 percent has had post-graduate training in the United States, Canada or Great Britain. Their fees are standardized; about \$8.00 U.S. for an office visit and \$20.00 U.S. for a house call. So should something happen, no worry, you are in the best of hands even away from home. Happy travels.

Barb Corbin

I'VE SEEN BOYS on my baseball team go into slumps and never come out of them, and I've seen others snap right out and come back better than ever. I guess more players lick themselves than are ever licked by an opposing team. The first thing any man has to know is how to handle himself.

BERNHARDT JOHNSEN, 69, of Camp Lake, Wis. passed away on Wednesday, Jan. 28 at Kenosha Memorial Hospital.

He was born August 3, 1905 in Charles City, Iowa and moved to Chicago, then to Camp Lake in 1945. He was a maintenance man for Butler Brothers in Chicago and retired in 1967. He married Frances Silus on Aug. 12, 1938 in Carlton, Minn.

Survivors are his wife Frances, two sons Robert and Neil Johnsen, both of Superior, Wis.; one sister; one brother; and several grandchildren. He was preceded in death by one brother and one sister.

Funeral services were held at 10:30 a.m. Friday at the Strang Funeral Home in Antioch. Rev. Mark Lyons of Holy Name Church officiated. Interment was in Holy Name Cemetery in Wilmet, Wis.

CHRISTIAN SCIENCE CHURCH

In the Bible we learn that Spirit is another name for God. This will be explored Sunday at Churches of Christ, Scientist, in the Bible Lesson-Sermon entitled "SPIRIT."

In Psalms 143 we read "Teach me to do thy will; for thou art my God: thy spirit is good; lead me into the land of uprightness."

Commentary from SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES by Mary Baker Eddy includes this explanation: "Spirit imparts the understanding which uplifts consciousness and leads into all truth."

Services begin at 11 a.m. at First Church of Christ, Scientist, BEACON HILL, Rt. 173 and Harden, Antioch, Ill. The public is always invited.

Changing Address?

About 1,000 residents on your letter carrier's route change their addresses in an average year, and some don't bother to tell the post office they're moving. As a result, their mail will not be forwarded to their new addresses. Postmaster Walter P. Barnas said today.

"We hold letters for 10 days after the customer moves, waiting for a change-of-address order. After that, the letter is returned to the sender if it has a return address. If not, it goes to the dead letter office," Postmaster Barnas said.

Residents can ask carriers for a change-of-address card or it can be picked up at the post office. "Sometimes carriers know when people plan to move and voluntarily bring a change-of-address card to them, Barnas said. "With the change of address card, we can see to it that mail is forwarded to the new address promptly."

Along the way with ANNIE MAE

Since there is not a speck of snow anywhere in this area, lots of people have been traveling up North for their winter fun. Hear tell almost the whole town of Lake Villa took to the road last weekend, lots from Antioch did too. Mary and Bill Carney, Bob and Jo Kelly, Dale Frasc, Barb and Ray Gallaher, Gene and Donna Barth and Bernie and Betty Schneider spent the weekend in Rhinelander, Wis. Former Antioch barber, Jeff Staffon and his wife gave the group a guided tour of all the snowmobile trails. Lots of fun and lots of snow, too.

Also traveling North this weekend were Jo and Barb Rush and Jim and Pat Harvey and their families. Visiting George and Alice Palaske at their home in Green Lake, Wis., the group attended a Winter Festival and were treated to a fish boil.

A prouder grandpa you'll never see -- Ray and Elizabeth Jenson became grandparents for the first time when their daughter Diane (Pleviak) gave

birth to a 7lb. 2oz. baby boy on Jan. 31. Brian John is the seventh grandchild for Dennis' mom, Mrs. Joseph Pleviak, of Lake Villa. This is the first grandson, however.

Our best wishes to Nancy (Barnstable) and Glen Svenson who became man and wife in a candlelight ceremony last Saturday evening in St. Stephen's Lutheran Church.

SURPRISE, SURPRISE -- still recovering from the most wonderful evening ever are Dolores and Ed Abderholden who were given a surprise 25th wedding anniversary party at the home of Gus and Kay Costoff last Saturday evening. The party was planned by all of the Abderholden kids. All of whom came home from schools out of town (unknown to the folks) and bunked with the Costoffs till the party. All of the couple's friends, Father Johnson and Father Keusal, and many doctors and their wives were on hand to help celebrate this happy day. Dolores and Ed were presented with a very

lovely silver tea set to commemorate the occasion. The lovely lady is still on "Cloud Nine" and says she'll celebrate the rest of the year. We hope you do, and our best wishes for many more happy years together.

Congrats also to Dave and Marty Booth who celebrated six years of wedded bliss on Feb. 1. Dave, did you really rob the cradle?

Homer White and his wife Ruth spent last week touring Mexico with a group from the Kenosha County Farm Bureau

and then went on to the National Livestock Feeders Association convention in Dallas, Texas. Homer is an Illinois director in the association. The Whites will remain in Dallas until the 6th and then take a leisurely trip back home.

Hear that Ken Anderson, teacher at the Upper Grade School, isn't biting down hard on very much these days. Sorry to hear about your accident, Ken.

SILVIA URQUIDI, a Rotary Club exchange student from Bolivia, visited with Mrs. Carol Maplethorpe and Miss Fessenden and their students at the Antioch High School recently. Students viewed some slides and mementoes of her country and were able to chat with her in Spanish as well as help her with her English.

While in the area Silvia was the houseguest of the Henry Nauers in Lindenhurst and Dwayne Harris' on Rt. 59. She visited the Sears Tower in Chicago and snowmobiled and

ice skated for the first time.

Birthday congrats to Dan Dugenski on the 5th, to Gayle Bolton and Sunny Arndt on the 7th, to Jerry Mihovilich on the 9th and to Mary Ann Mihovilich on the 11th.

Anniversary wishes to Cecile and Mike Kelly on the 10th and to Denny and Bobby Rowan on the 11th.

REMEMBER -- get your VIP nomination into St. Peter's before Feb. 7. Also, Monday, Feb. 15 is the deadline for vehicle stickers. After Monday there will be a \$2 penalty charge.

Get well quick Marilyn -- hope your trip to Vegas will help cure that bug you've got.

Lots of discussion in this office about the ground hog and whether or not we'll have an early spring. I know it was a sunny day here, so he's probably hiding for another six weeks. However, we all agree -- Spring can come right now!

See ya,
Annie Mae
